

Drill Master Topics

04 September 2007

1. Resolved: that “natural disaster” catastrophic insurance with a \$10,000 deductible be underwritten by the United States and offered to all homeowners at cost.
2. Resolved: that all students completing credentialed degree programs at or above the bachelor’s level be offered \$10,000 in student loan forgiveness for every year they teach in the primary or secondary public school systems.
3. Resolved: that members of the California legislature be fined \$10,000 for every week they are late in ratifying a state budget for the signature of the Governor.
4. Resolved: that all imported products intended for use by children be required to undergo and pass random child safety inspections.
5. Resolved: that the sentence for anyone convicted of dog fighting charges include spending ten minutes in a fighting pen with the dogs involved...with hands and feet bound.
- 6.
